DISCLOSURES/APPLICANT SIGNATURE

I understand that it can take up to 72 hours to get approval for the requested service. I understand that my company and subcontractors must not utilize water without a special usage permit. I understand that any damage done to the city systems from myself and/or my company is responsible to pay for damages. I understand that I am required to pay in advance and if I don't use the permit within the allotted time, that I will have to reapply and pay fees or additional fees. I further understand that permits are non-refundable.
